<b>Summary</b>	Delhi School of Professional Studies and Research and National Institute of Disaster Management (NIDM) jointly organized a webinar on the topic "INTEGRATING SUSTAINABLE DEVELOPMENT GOALS (SDGS) AND DISASTER RISK REDUCTION (DRR) INTO HIGHER EDUCATION" on 28 <sup>th</sup> June, 2022. Dr. Shipra Singh, Associate Professor, DSPSR welcomed the speakers and participants to the programme with an introduction of eminent panelists. Exhibiting her concern, she said, our planet is facing several challenges that are becoming a threat to us and may become a bigger threat to our future generations. She talked about both socio-economic and environmental issues such as climate change, environmental degradation, poverty and hunger, depletion of natural resources, and extinction of species, among others. The resource people for the session were Amb. Gauri Shankar Gupta, Former Ambassador / High Commissioner of India, Author and Motivational Speaker; and Dr. Rana Singh, Director, Chandragupt Institute of Management Patna. The webinar was attended by around 324 participants.
