

Educational Excursion to Yamuna Biodiversity Park

Date: April 12, 2018

Venue: Yamuna Biodiversity Park, Wazirabad Village

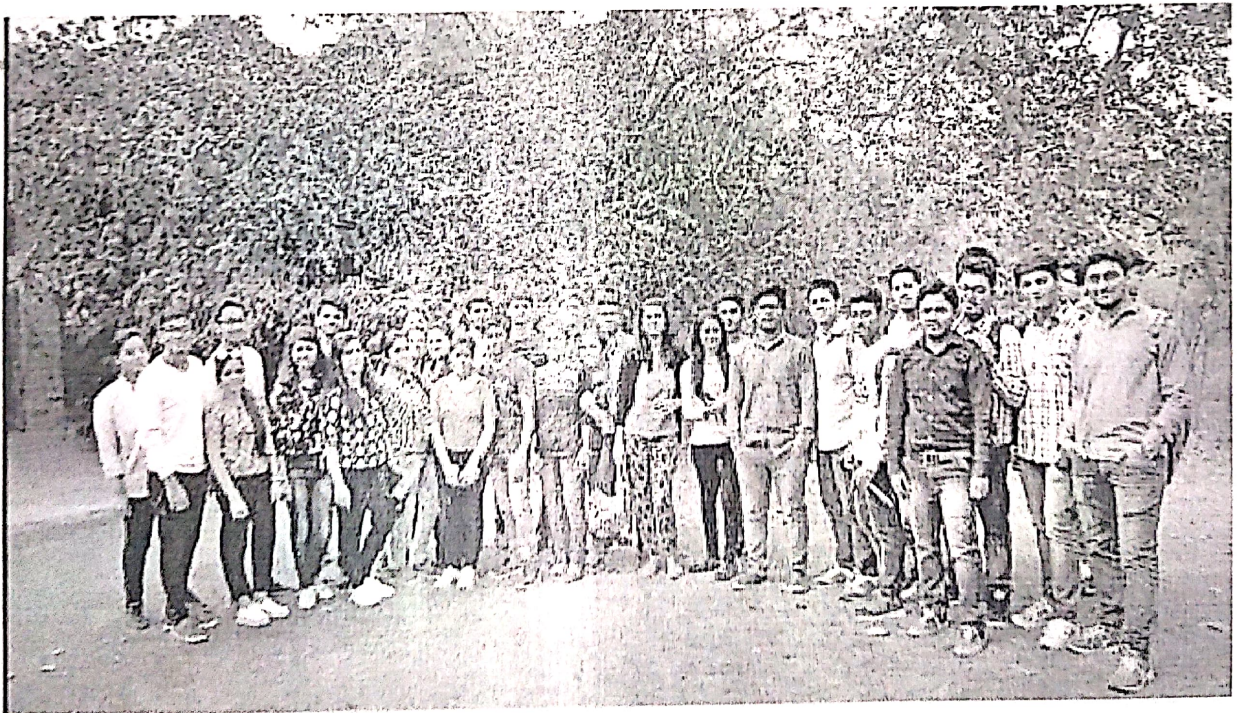

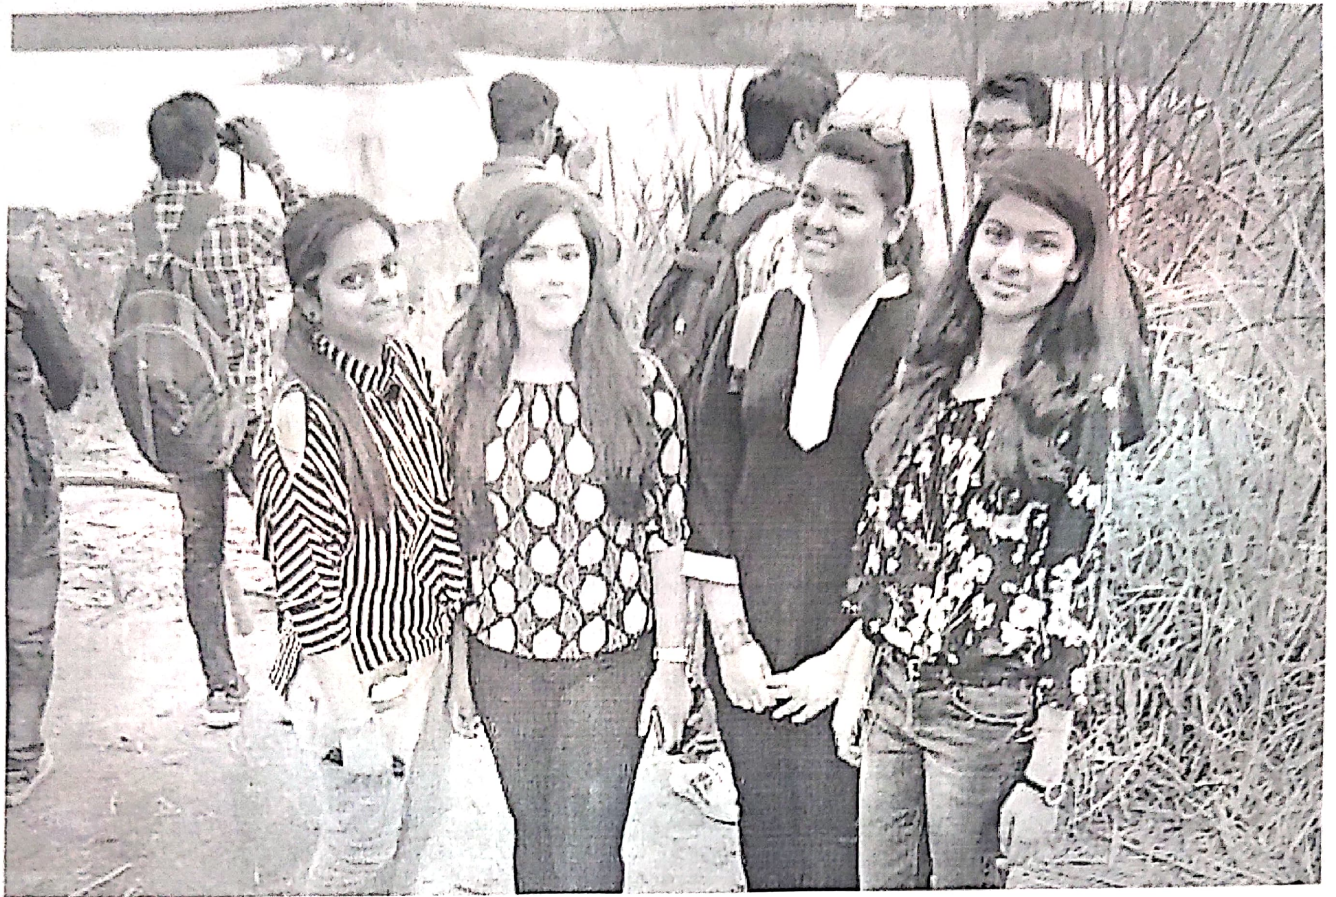

Faculty Coordinator: Simran Kaur

Eco club of Delhi School of Professional Studies and Research organized an educational excursion to Yamuna Biodiversity Park, Wazirabad Village, for the 4th semester students of B. Com (H). The main aim of the field visit was to make these students aware of the degrading condition of the environment, various conservation strategies and their important role in future in its maintenance.
