Summary	<p>Mr Ankit Aggarwal, BCOM (H), Delhi University and MBA from DSPSR (2008-10) were invited to address the students of DSPSR on 21 April, 2020. Mr. Aggarwal is a Motivator Speaker, Investment Portfolio Consultant and currently working in Zee Business. He has his own YouTube Channel. He has over ten (10) years of experience. He spoke on the broad theme "Innovation". He discussed with students that innovation should not only imply making scientific discoveries and new inventions. According to him innovation also means focusing on finding or discovering innovative ways to become financially independent at a young age. He emphasized that becoming financially independent at a young age will help the students in taking care of their families and fulfilling their responsibilities. It will also help them in building the economy of their country by investing in good companies that are contributing to the development of their nation. He also spoke about innovative ways to become financially independent in times of crisis. He informed the students that this is a goodtime to make short-term investments and secure their financial future.</p>
