Mob: 9654250004, 9013333577, E-mail: placement@dspsr.in, Website: www.dspsr.in

DIFFERENCES BETWEEN THE GMAT AND GRE

- The biggest difference between the GMAT and GRE is that the GMAT is typically used for business school admissions, while the GRE is accepted for most graduate programs (including business and law schools).
- Beyond that, the two tests have a different format with different types of questions, testing policies, and options for sending your scores to schools.
