Title	Awareness Talk on Thalassemia
Date and Time	1 st October , 2018
Venue	Seminar Hall
Resource Person/Facilitator	Ms. Swati Tuteja and Ms. Sonam Madan, Thalassemic major patients
No. of Participants	40
Summary	An informative lecture on Thalassemia was conducted on October 1, 2018 at Delhi School of Professional Studies and Research. It was organized under the aegis of NSS Cell of DSPSR in association with Thalassemics India. The speakers Ms. Swati Tuteja and Ms. Sonam Madan, who were Thalassemic major patients, shared their personal experiences and encouraged the students for blood donation. They also showed a documentary film to the students that if parents are carriers of thalassemia,

	<p>the child has a greater chance of inheriting a more serious form of the disease. It was all in the air with their high spirits. The students understood that blood donation is not hazardous and it proves to be a healthy habit that helps blood renewal.</p> <p>The talk helped the students in getting awareness about their social responsibilities and demonstrated enthusiastic participation for the same. The spark to save millions of lives with few drops of blood enlightened the day.</p>
