Summary	<p>The Rotaract Club, NSS Cell & Eco Club of Delhi School of Professional Studies and Research organized a Winter Clothes Distribution Drive under the scheme "Act of Kindness" on February 12, 2019 for distribution of warm clothes among slum dwellers. The clothes were donated by the students as well as faculty and non-faculty members of the college. The entire event was put into action enthusiastically by the student volunteers who identified the slum area near Sector 11, Rohini as the venue for distribution of the winter clothes. The inhabitants of the slum were very happy to see a group of young college students carrying out such a noble initiative. The efforts of the students were appreciated by the Director and they were motivated to carry out such initiatives in future as well.</p>
