Equal Opportunity Cell

The Equal Opportunity Cell has been established at Delhi School of Professional Studies and Research (DSPSR) to ensure equal opportunities for students, faculty, and staff from marginalized groups on a continual basis. The main objective of the Equal Opportunity Cell is to promote equity, inclusivity, and diversity to participate fully in the academic, financial, intellectual, social and cultural life of the Institution on an equal basis.

Functions:

- To educate and sensitize the people about issues related to diversity, equity and inclusion through different programmes.
- To provide support to the students, faculty and staff members from marginalized groups through counseling, mentorship, and academic assistance.
- To establish coordination with the Government and other agencies/organizations to mobilize academic and financial resources to provide assistance to students of the disadvantaged groups.
- To ensure a barrier free access to entire building of the Institution, departments, libraries, and other offices.
- To ensure that there is no discrimination in the Institution on the grounds of caste, gender, religion, and disability.
- To address the grievances related to discrimination and unequal treatment based on factors such as caste, gender, religion, and disability.
