INDUSTRY VISITS

The gulf between theoretical knowledge and its application is one of the largest in the sphere of professional education. Thus, industry visits are an integral facet of DSPSR's pedagogy. Industry excursions enable the students to gain a better understanding of theories and gain practical exposure in real time. They also provide an insight on how corporate works.

The Placement cell also helps the students to organize for their Industrial visit in manufacturing/service organizations. Industrial visits help the students to relate

their class-room knowledge to the ground realities in business and they also witness and imbibe the best practices of these corporate entities. It's mandatory for all.

Every student has to prepare a report on the Industrial visit. The reports are evaluated and the best report get certificate of appreciation as well as the student has to give presentation in front of whole class.
