Summary	Literacy provides the first essential step towards building a participative, vibrant, and a more inclusive democracy beyond the functional level, literacy plays a vital role in transforming students into socially engaged citizens. Being able to read and write means being able to keep up with current events, communicate effectively, and understand the issues that are shaping our world. Mass education, land reforms, and women's equity/empowerment were the three prolonged strategies on which the constitution makers of India had visualized the socio-economic transformation of a free India. A live webinar was conducted by the Rotaract Club of Delhi Akash on the topic of social literacy and rights of citizens. Where our club member received a certificate for the same.
Winners	Not Applicable.
