| Summary | The Rotatact Club of DSSSR has successfully completed Project Swachhta, under the focus area of Water, Sanitation and Hygiene. In this session, the children of the Blighted area were informed about the process of keeping places free from dirt, infection, disease, etc. By removing waste, trash, and garbage, by cleaning streets, etc. or conditions relating to public health, especially the provision of clean drinking water. Apart from this, children were informed about the importance of sanitizers and how to use it and how many times they should use it during times like Pandemic. The speaker for this session was Rtr. Akarsh Srivastava, who is also the speaker of Team Aaina. In addition to this, Hand Sanitizers were distributed among children and provided a 2 minute session on the importance of cleanliness in the slum areas. |
