<p>Summary</p>	<p>"The event was initiated by Mr. Niraj Gera Sir. It was his idea to go out of the way and do something unique by giving a chance to the old age home citizens to come up and showcase their talent and so that they can uplift themselves. Everyone needs a little inspiration from time to time. Even the biggest movie stars and greatest athletes have their darker days and moments. When they think they just can't get going any more. <i>You are never too old to set another goal or to dream another dream.</i>"</p> <p>This is absolutely what this event showed that we are never too old to enjoy life to its fullest. Our club members visited Sawhney Foundation for a month to teach and engage these citizens into the activities that suit their interest along with this old age home and various other old age homes.</p>
