Summary	The Rotaract Club of DSPSR showed its enthusiastic participation in Cancer Awareness Drive at the location Saket under District Project (Hope 3.0). The Rotaract club of DSPSR took initiative to spread cancer awareness among children of NGO at Saket. The Rotaract club of DSPSR has urged the NGO children to take a lead role in the fight against childhood cancer to promote awareness and early detection in order to aid survival rate among those affected .Cancer in children can be cured if detected on time, this is why the Rotaractors taught about the various cancers that affect people of young age and how they show so that if detected early you also get treated immediately.
