Summary	On the occasion of Women's Day the Rotaract Club & Women Development Cell of DSPSR decided to distribute sanitary napkins to the underprivileged women so that they have access to their basic hygiene. Menstruation and menstrual practices still face many social, cultural, and religious restrictions which are a big barrier in the path of menstrual hygiene management. Girls and women in rural areas or poor households have very less or no knowledge about reproductive tract infections caused due to ignorance of personal hygiene during menstruation time. So, they mostly rely on reusable cloth pads which they wash and use again. So on the occasion of women's day our both clubs of DSPSR decided to donate sanitary pads to the ones who aren't aware of menstrual hygiene or who can't afford it. And succeeded with distributing 600 sanitary pads in Rithala.
