| Summary | The Rotaractors of Rac DSPSR actively participated and collaborated in the workshop organized by Rotaract Club of PGDAV EVE. "Good grammar is like personal hygiene-you can ignore it if you want, but don't be surprised when people draw their conclusions". The Lexicon Project of the Rotaract Club of P.G.D.A.V Eve presents a workshop on "Tenses and sentence formation. The workshop was really helpful and impacted a huge population of the youth as they got to know how to be well versed in English language and how important it is to be presentable to the outer world in today's scenario when everyone is actually sitting ready to judge you over the next move. |
