No. of Participants	30+

OK

Summary	<p>"Education is the most powerful weapon which can be used to change the world."</p> <p>The Stationary Drive under scheme "Act of Kindness" was organized by the Rotaract club of DSPSR in which the Rotaractors distributed stationary items such as registers, pens etc to the children of the slums (Rithala Gaon). The basic stationery items were provided to the children who are not from a well to do family so that they can assure a better future for themselves, because sometimes most of them aren't even going to school but home is always everyone's first school. Education is the key to success. It empowers everyone so this event focused on empowering these needy children.</p>
