Summary	The Rotaractors of Rotaract Club of DSPSR visited an Old Age Home named Mata Rambeti with Neeraj sir and enjoyed with the adults and made them dance, sing, meditate etc. The most challenging part of caring for an elderly parent is redefining your roles. This quote reminds us that embracing the change will make the process go more smoothly. In this old age we conducted a cloth donation drive and also conducted activities like dancing, singing, mimicking that not only helped us in engaging the elderly people with us but also uplifted their mood.
