Summary

"A Recipe has No Soul. You, as the Cook, bring the Soul to the Recipe". The basis of hygiene while preparing food is taken into consideration. The Club of DSPSR initiated an event under "Project Annapurna". The Rotaract was to offer food making gloves to the street food vendors and tell them about the importance of hygiene while preparing food. This event was held at Kamla Nagar/ Lajpat Nagar, New Delhi. In addition to this, we also invited various District's clubs. The clubs that have participated are - Rotaract Club of Jims Vasant Kunj. All these clubs altogether made our Event more successful. Furthermore, our Rotaractors took part in the event and managed it effectively. Afterwards, The Rotaractors discussed with them about how to take care of hygiene while preparing food, the importance of food gloves, how much it will cost the street food vendors to have gloves/ Sanitizers etc. per month. They openly discussed their point of views with the Rotaractors.
