Summary	Under Project Sewa the Rotaract club of DSPSR collaborated with the Rotaract Club of BPIT and Rotaract Club of Delhi Pankh to feed the stray animals. In our busy schedule, we sometimes never give a second thought to animals like cats, dogs wandering in our neighborhood and generally tend to ignore them. Sometimes, it's the bark of a dog or chilling howl of a cat that grabs our attention for a short spell and then we forget, but we don't realize that what we forget as humans is that we have a responsibility to help, care and look after the needy and helpless creatures who depend on us.
