Summary	<p>Every year parents and students order new books even though some of the previous year's books are still in good condition. At the same time, children in underprivileged areas of the country struggle to find even bad books. So the Rotaract club of DSPSR took the initiative under scheme "Saksharta Abhiyan" to donate our old books and help them grow in terms of education which would help the needy ones. The club decided to donate books to the underprivileged kids. The function of education is to teach one to think intensively and to think critically. Intelligence plus character – that is the goal of true education</p>
Winners	<p>Not Applicable.</p>
