Simran Kaur

Summary

The members and associates of Rotaract Club, Eco Club & Cultural Team of DSPSR marked Ganesh Chaturthi in the college with great fervor and fidelity on Aug 31st, 2022 followed by Ganesh Visarjan on Sep 1, 2022. The whole DSPSR family and club members of Rotaract and Eco-Club participated in this event intending to bring happiness, contentment, positivity, entertainment, refreshment and fun all together by uniting among themselves. The arrival of Lord Ganesha was welcomed by the tunes of "Dhol" and "Tasha". The puja rituals began at 11:00 a.m when the idol of Lord Ganesha was venerated by all the members. The arrangement of Puja and decoration of college premises was well managed by the Rotaractors. The college was lavishly ornamented using lights and vibrant flowers. The Lord was offered prayers and invocations, followed by Aartis as well as distribution of Prasad among the members. The program on Aug 31st, 2022 was concluded with the students' bhajan singing performance along with piano playing to refresh and entertain everybody.

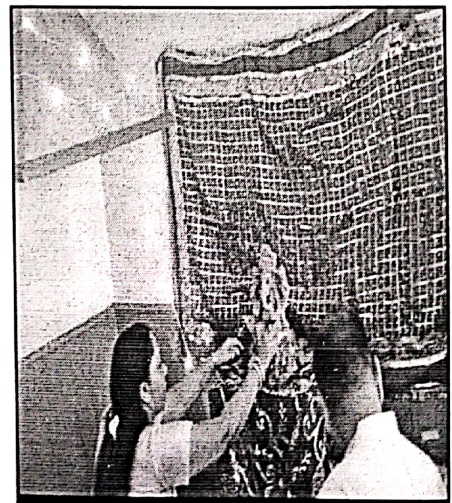

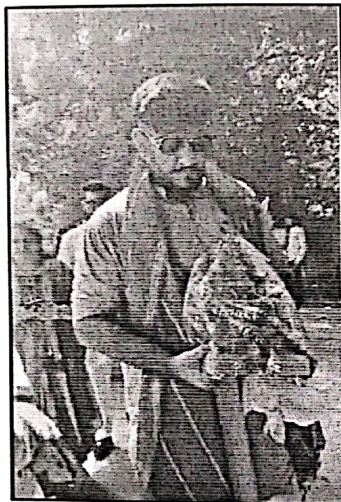

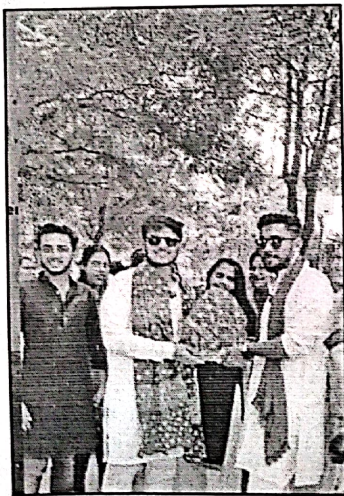

The Rotaractor and Eco Club members also made the efforts to bid an eco-friendly farewell to Lord Ganesha keeping in view the amount of dirt and pollution caused to nature during the festivals. The club members bought a mud idol and immersed it in a steel bucket at the college premises. The Ganesh Visarjan took place on Sep 1, 2022. The Ganesh idol was left in the water to stay for a day, so that the idol could melt in the water properly and eventually the water then put in the plants in college premises and a sapling was also planted using the idol mud. This has got to be the best way to send Ganpati back home- by giving him back to nature.

This event brought a sense of unity among all the participants and gave a set of unforgettable memories to those who witnessed this event.
